

EEHPC Guideline

EEHPC is located at ITE372@UMBC campus

Computing Servers

Machine names:

ite372pc02.cs.umbc.edu

ite372pc01.cs.umbc.edu

ite372pc03.cs.umbc.edu (dual boot)

To access machines from remote place:

Disk storage

You are responsible to make backup of your own files. We cannot guarantee that we can restore data if the disk fails.

Here are the locations:

/data/eehpc0

/data/eehpc1

/data/eehpctmp

Useful commands

`df -kh` (Shows mounted file systems on the machine. You can also see how much space is available on eehpc0 and eehpc1)

`df -h` (For Human readable format)

`%cat /proc/cpuinfo` (To display the number of processor and its information)
